provided.

Accessibility Features

One advantage of George at Asda is its **wheelchair-accessible entrance**, making it easier for all customers to enjoy their shopping experience. Additionally, the store offers a **wheelchair-accessible car park**, ensuring accessibility from the moment you arrive.

Payment Options

The store accepts various payment methods, including **debit cards** and **credit cards**. Furthermore, customers can use **NFC mobile payments**, which makes transactions quick and convenient. This flexibility is appreciated by shoppers who prefer modern payment solutions.

Product Availability

While there are positives, some customers have expressed disappointment over the **empty shelves** and the overall selection of clothing. Reports indicate that George at Asda has a wide variety of clothes for girls, yet the selection for boys and men appears to be lacking. Shoppers have noted that they found the **clothes to be expensive** and of lower quality than expected.

Value for Money Concerns

Feedback suggests that George at Asda has “sadly lost its way,” with many feeling that the store is no longer focused on offering **value for money**. Instead, customers believe it prioritizes brand names and renting out spaces, leading them to seek alternatives like **LIDL and ALDI** for better deals.

Planning Your Visit

For those planning a **quick visit**, it's essential to keep your expectations in check. While the store boasts an **excellent choice of everything**, you may encounter some items that do not meet your quality standards. Be cautious, as some products, like perishables, have drawn criticism for being out of date shortly after purchase. In conclusion, while George at Asda in Coatbridge offers accessibility and a pleasant shopping experience, attention to product availability and pricing is needed to ensure customers feel satisfied with their purchases.
