I had to give 1 star because there wasn't an option for 0 stars. I've used Snappy Shopper a few times from here and EVERY time I was offered 'alternatives' to my order. The most recent time was no different, but this time I was given a later time slot. I accepted that time, and it was almost an hour later than that! I called to cancel and get a refund. The delivery driver eventually came to the door, but I turned him away. Then, I received an email saying that my order was 'delivered'. They refunded me immediately, but if you want to receive what you ordered and when you ordered it, then I suggest using a different store!!!
