The staff at Ellis Brigham really knew their stuff when it came to sorting out my ski boots. I've been dealing with issues for ages and had previously visited a renowned boot expert in Bicester, but they didn't pay attention to what I was saying like the folks at Ellis Brigham did.

Now I've got boots that actually work for my feet and how I ski. Big thanks for all your help!

I must say, Alex has been an absolute gem throughout the process of purchasing my ski boots. Sadly, after hitting the slopes, I found the boots to be a tad too snug in width, resulting in some numbness in my tootsies. Nevertheless, Alex has been exceptional in his efforts to address the issue, showcasing a sound understanding of the potential causes behind my discomfort. I've now had a personalized footbed crafted, and the boots are currently in his care for some additional tweaks. While I'm still awaiting the final results, I am quietly optimistic that I'll soon be the proud owner of a pair of boots that not only perform well but also offer utmost comfort. All in all, top-notch service thus far.
